Large	3-4 Adults	\$750.00

When do I receive my produce?

Tuesdays & Fridays as follows:

First Date: Week of May 17

Last Date: Week of November 8

If you are not able to pick up your produce at the scheduled time, you may send a representative or make arrangements to pick it up at another time.

What do I get each week?

Each week you will receive a generous selection of fresh, chemical-free, organic produce along with *Wildberry Organics'* newsletter. The newsletter includes farm news, recipes, fun food facts, and class schedules.

Need extra stuff?

You can arrange to purchase additional produce as it is available during the season.

Need extra *special* stuff?

- ❖ **Would you like to become more self-sufficient by putting larger quantities of your family's favorite food by, for the off-season? Have us grow produce for you. We can provide standard as well as specialty items in quantity for freezing, drying, or canning. Just let us know what you are interested in and we'll be glad to work with you.**

Our Farm

Wildberry Organics is located on 5 acres outside Forest Grove, Oregon.

Our Philosophy

Wildberry Organics is founded on proven principles of sustainable, organic agriculture practices. Nature-friendly gardening practices are strictly adhered to. Only organic gardening techniques are followed. No chemicals or synthetic products are used. Naturally developed compost is the fertilizer of choice. The gardens are inter-planted with compatible and bio-diversified crops that encourage a synergistic relationship among themselves and with beneficial birds and insects. Hedgerows of native plants surround the gardens, encouraging a selection of native wildlife and natural insect control.

What is a CSA?

Community Supported Agriculture, or **CSA**, is an agreement between a farmer and subscribers. The subscribers pay a flat fee for the season and the farmer provides a share of produce each week of the subscription season.

What our CSA offers:

♥ *Farm fresh vegetables & fruits*

📖 *Classes:*

- ❖ Organic & Bio-intensive Gardening
- ❖ Intercropping for best results
- ❖ Cooking for Health
- ❖ Herbal crafts
- ❖ ... and more!
